Savvy Social Security Planning:

**What Baby Boomers Need
to Know to Maximize
Retirement Income**

At this workshop you will learn:

- 5 factors to consider when deciding when to apply for benefits
- Why you should always check your earnings record for accuracy
- How to coordinate benefits with your spouse
- How to minimize taxes on Social Security benefits
- How to coordinate Social Security with your other sources of retirement income

Learn the answers to your questions:

- Will Social Security be there for me?
- How much can I expect to receive?
- When should I apply for Social Security?
- How can I maximize my benefits?
- Will Social Security be enough to live on in retirement?

After being told for years that Social Security is "going broke," baby boomers are realizing that it will soon be their turn to collect. But the decisions you make now can have a tremendous impact on the total amount of benefits you stand to receive over your lifetime.

This informative seminar covers the basics of Social Security and reveals strategies for maximizing your benefits.
